CHOOSE CONFIDENTLY

Thank you for being a Cadillac Financial customer. With your lease scheduled to end soon, we want to ensure you understand your options. No matter your decision, here's how you can keep moving forward:

OPTION 1: RETURN YOUR VEHICLE

Bring the vehicle to your Cadillac dealership by the termination date in your agreement.

- Schedule a pre-return inspection to identify potential excess wear.
- Remove anything that may have your name, address or financial information.
- Arrange a return date with your dealership. Sign the Check-in Receipt at the dealership and the Odometer Statement, located in the [Document Center](#) on [cadillacfinancial.com](#) under the Resources tab. Keep a copy for your records.
- Be on the lookout for a Lease-End Liability Invoice 30-45 days after vehicle turn-in. It will include amounts still due on the account and is different from the final billing statement.

OPTION 2: LEASE OR FINANCE NEW

Ready for a new vehicle? Return your lease and start enjoying the latest Cadillac has to offer with an upgrade.¹

- Not sure if you want to lease again or finance? Explore which option is right for you at [cadillacfinancial.com/options](#).
- Check out offers and even apply to prequalify for financing with no impact to your credit at [cadillacfinancial.com/offers](#).
- Follow the steps in Option 1 to turn in your vehicle.

OPTION 3: PURCHASE YOUR VEHICLE

Good news: You can purchase your Cadillac at any point during your lease. You can request a purchase quote, valid for 10 days, on your MyAccount dashboard. Know that Cadillac Financial doesn't process lease purchases through non-GM dealerships.

Contact your dealer to discuss lease-end options.

¹If you buy or lease a new GM vehicle, your disposition fee of up to \$595 may be waived. See Section 4 of your lease agreement for details.

GET INSPECTED

PRE-RETURN INSPECTION

Prepare yourself by scheduling a pre-return inspection approximately two to four months before lease end. You'll get a report on wear and discover how it may affect amounts owed at turn-in. You can schedule the inspection at your preferred dealership, home or work by visiting [AutoVINLive.com](https://www.autovinlive.com). You will need your VIN and account number to start the process.

REPAIRS AND MAINTENANCE

Before turning in your vehicle, you may choose to make repairs related to excess wear and outstanding recalls. Once your repairs are completed and before turning in your vehicle, email or fax all repair receipts to us so a credit can be applied to your account. If you elect not to make necessary repairs, outstanding charges will be billed to your account as part of the Lease-End Liability Invoice.

COMMON QUESTIONS

WHERE DO I RETURN MY VEHICLE?

The Cadillac dealership where you leased your vehicle is best qualified to help with the return process, though you can make an appointment at any preferred GM dealership. Return the vehicle by the termination date specified in your lease agreement and follow the steps outlined in this guide for a smooth process.

WHAT CHARGES CAN I EXPECT AFTER VEHICLE RETURN?

You will receive a Lease-End Liability Invoice in the mail 30-45 days after your vehicle is returned. It may include amounts still due on the account, excess wear and mileage charges, a disposition fee,¹ and other applicable taxes and charges.² If taxes, citations, tolls or other charges are received after your Lease-End Liability Invoice has been sent, an additional invoice may be issued. For more details, see "Other Terms and Conditions" in your lease agreement.

HOW DO I OBTAIN A PURCHASE QUOTE?

You can request a purchase quote, valid for 10 days, on your MyAccount dashboard. Also, important lease documents can be found in the [Document Center](#) on [cadillacfinancial.com](#) under the Resources tab.

¹Disposition fees may be waived if you buy or lease another new GM vehicle or exercise the purchase option of your lease agreement. As stated in your contract, you may be charged a disposition fee of up to \$595. Some states charge sales tax on the disposition fee when it is paid. This flat-rate fee covers the cost of preparing the vehicle for resale.

²In addition to sales tax, some localities have property taxes (often called ad valorem tax) that apply to automobiles, purchased and leased. Check your state or city's department of taxation website for details.
